

To whom it may concern

I highly recommend Mirza Wali Baig as a candidate for your college. I have served as Wali's supervisor in his capacity as an A/R Compliance Administration at DM Clinical for the past 2.5 years.

Wali has proven to be a dedicated and hard worker and has great analytical skills. Because of this he has been promoted twice in our department.

During their time at DM Clinical, Wali Baig consistently demonstrated organizational skills and time management skills. He is a highly motivated and results-oriented individual who is always willing to go the extra mile. He is also a team player who is always willing to help their colleagues.

In addition to their strong technical skills, Wali has excellent communication with relevant stakeholders, and interpersonal skills. He can clearly and concisely communicate his ideas and action items, both verbally and in writing. He is also able to build rapport with people from all walks of life.

Based on my experience working with Wali Baig and witnessing their professional growth and commitment I am confident in recommending him to your school.

Thank you for considering my recommendation. If you require any further information or insights, please do not hesitate to reach out.
